Quiet Flight - Bellarine Dunes (Widebacks)	2 1/4 yards - Slender Bush Pea Oatmeal	6070W-11
** 108" Wideback = Backing + Binding	Select your favourite from the 14 available	6070W-01 to 6070W-14

ABOUT DRIFT

DRIFT is designed to showcase a Fat Quarter Bundle of *Quiet Flight – Bellarine Dunes*, paired with coordinating *Speckled Perennials* and *Quiet Flight - Bellarine Dunes Wideback*.

Simple half-square triangles allow the three-part collection's soft coastal colours and delicate botanicals to drift across the quilt, echoing the shifting tones and quiet movement of the Bellarine coastline.

CUTTING

Quiet Flight – Bellarine Dunes Fat Quarter Bundle

From 14 Fat Quarters, cut:

- 2 × 9" squares from each FQ = 28 squares.

From Botanical Blush Pink (or one chosen feature FQ), cut:

- 4 × 9" squares.

Total: 32 Quiet Flight 9" squares.

Speckled Perennials – Oatmeal

- Cut 8 × 9" WOF strips.
- Subcut each strip into 4 × 9" squares.

Total: 32 Oatmeal 9" squares.

SEWING

MAKE 64 HALF-SQUARE TRIANGLES

1. Pair one Quiet Flight 9" square with one Oatmeal 9" square, right sides together.
2. Draw a diagonal line from corner to corner on the wrong side of the Oatmeal square (or use your ViviLux Laser**).
3. Sew a ¼" seam on each side of the marked line.
4. Cut apart along the marked line.
5. Press seams toward the Quiet Flight fabric.
6. Trim each HST to 8½" square.

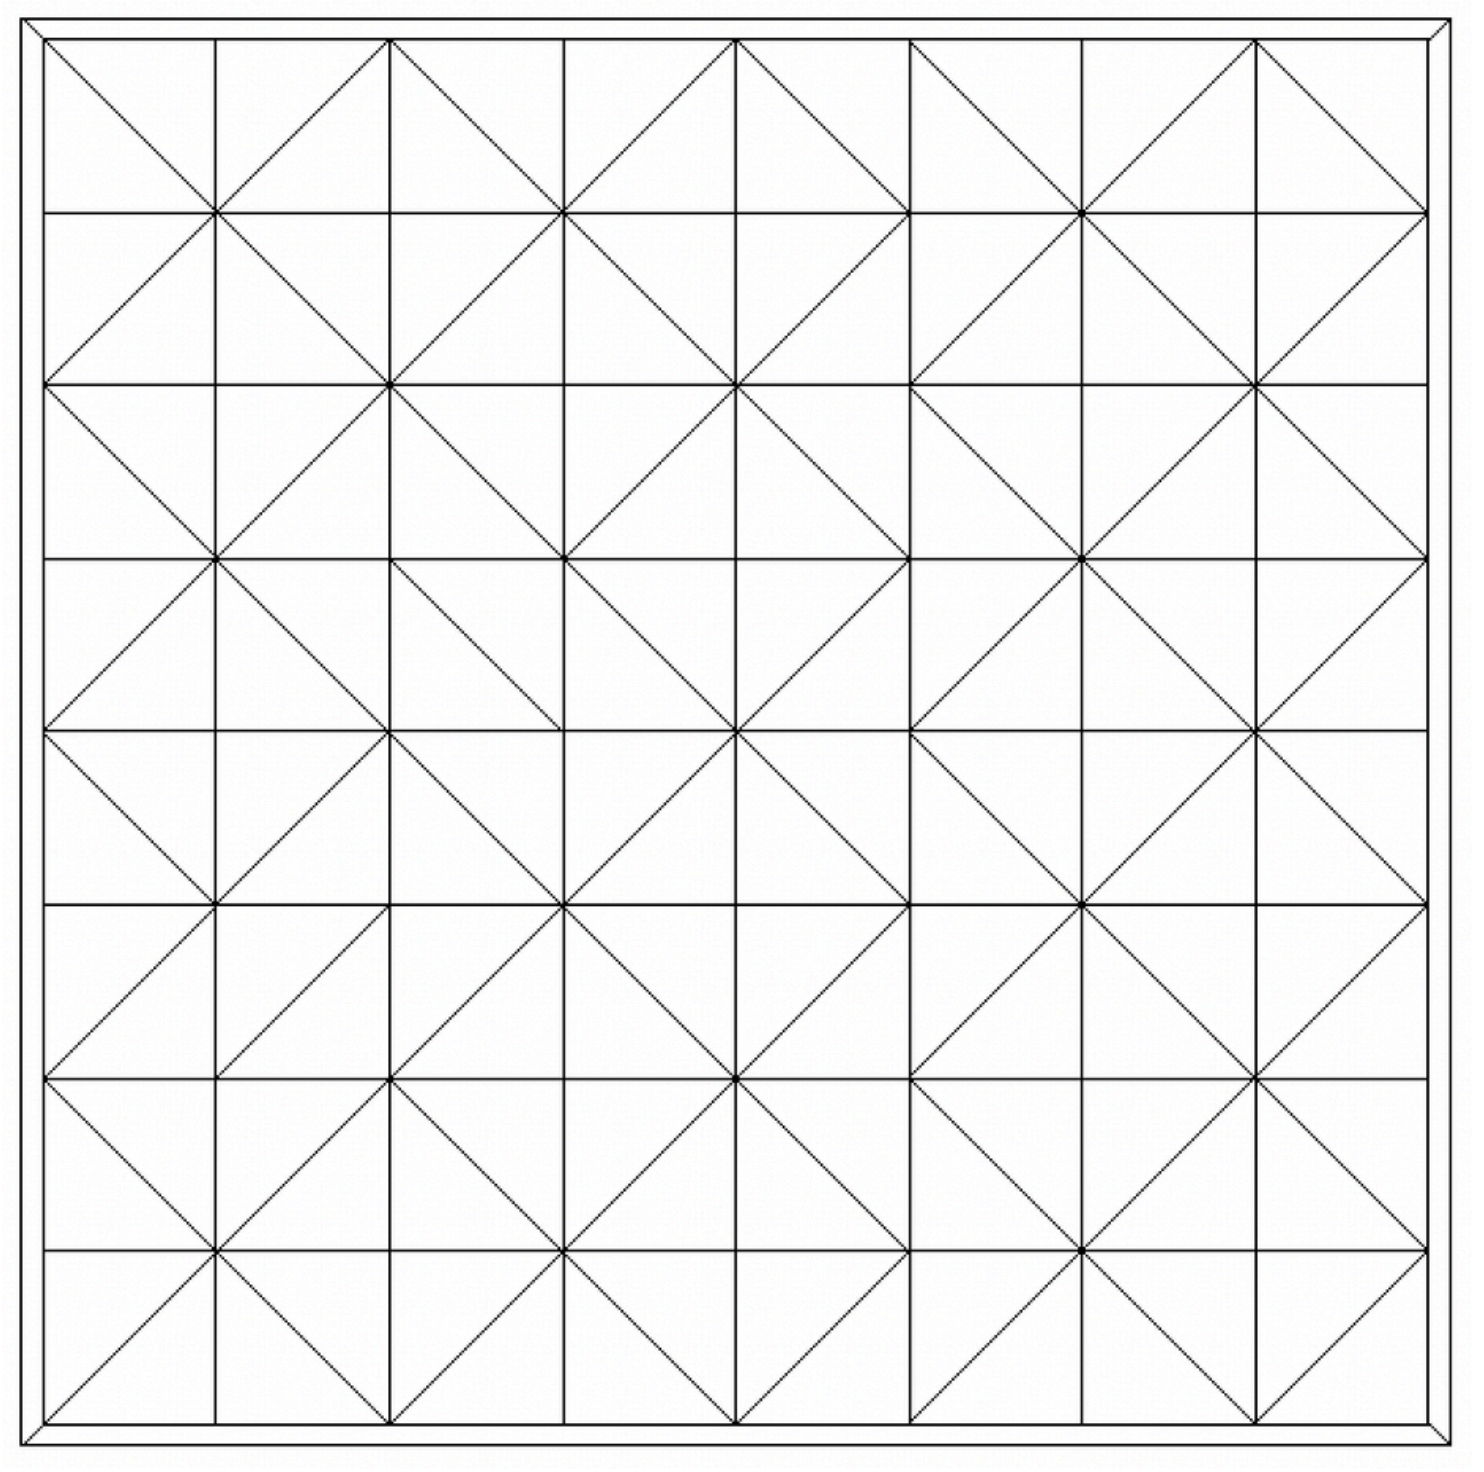

Repeat to make 64 HST units

***** **OPTIONAL TOOL TIP** *****

I use my **Creative Grids Stripology® XL ruler** to speed up cutting and a **ViviLux 3-in-1 Laser** to sew HSTs without marking diagonal lines. Both are optional — simply use your usual ruler and marking method if preferred.

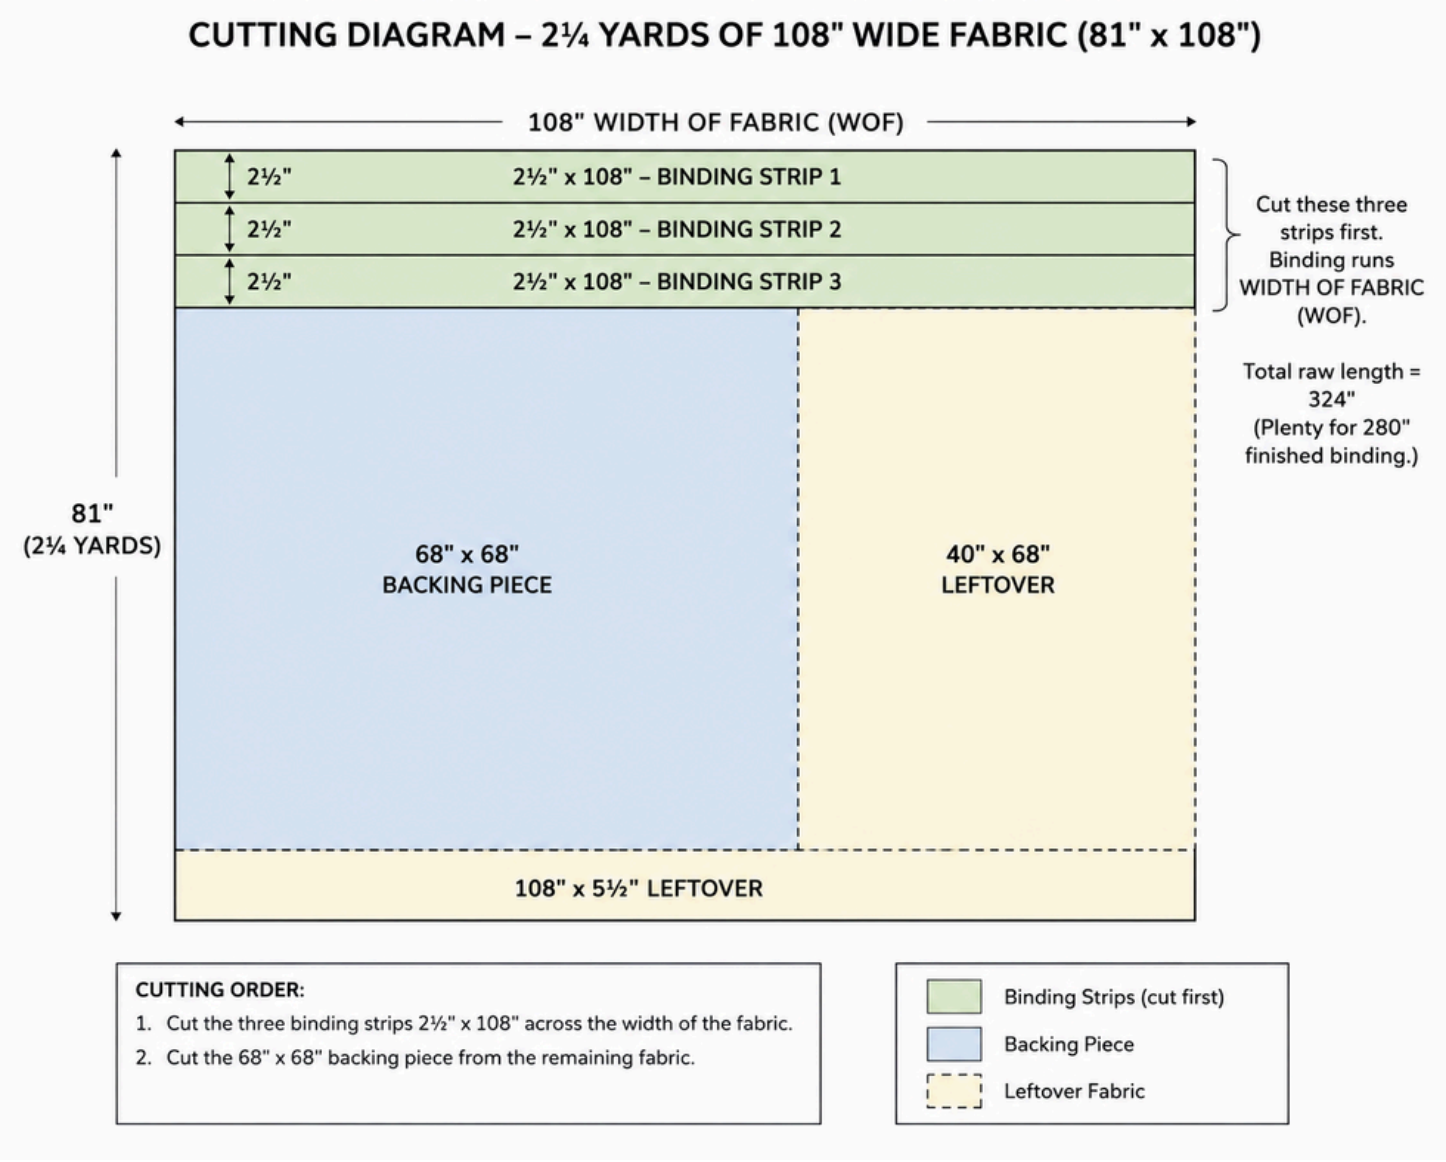

ASSEMBLY

7. Arrange the 64 HST units in 8 rows of 8, referring to the DRIFT quilt image for inspiration.
8. Rotate the HSTs freely and distribute colours and prints across the quilt to create a balanced, flowing arrangement. The diagram is a guide rather than an exact fabric-placement map. You can use the diagram below to design your own colour flow.
9. Sew the HST units into rows using a ¼" seam allowance.
10. Press adjoining row seams in alternating directions.
11. Join the eight rows.
12. Finished quilt top: approximately 64" × 64".

FINISHING

13. Layer the quilt top, batting and Wideback backing. Baste and quilt as desired.
14. Trim the backing and batting square with the quilt top.
15. From the remaining Wideback, prepare approximately 280" of binding.
    To do this you will cut strips three 2½" × WOF, then join them end-to-end with diagonal seams.
16. Bind using your preferred method.
